MOOD: 😊 cheerful

MUSIC: Aimee Mann & Michael Penn - Reason to Believe

Playing badminton with short people.

They're kicking my @\$\$.

This looks like a good idea.

...

This.

...

Little guy's not bad.

Gotta teach RHex to smear.

I think Wonder Woman's smash summoned that thunderstorm.

At least the hot dogs weren't waterlogged.

Tall is not everything in a badminton game.

Too tall --> no smashing capability

And the court's too small for the extra leg to make that much of a huge difference. In any case, if you were taught right, you should be able to get from point A to point B on your half of the court in 4 steps, max.
